Pooja Shingala

Sr. Frontend Engineer

Rajkot, Gujarat

pooja.shingala007@gmail.com

I have 6+ Years of Experience as a Software developer. I am interested in frontend development with JavaScript, React, Redux, NextJs, Gatsby, TypeScript, HTML, CSS.

My goal is to Provide High quality websites that help in growing business and conversions to increase sales and user interactions. I respect timelines and deliver quality projects before deadlines with the best quality code. I am an enthusiastic and friendly person, and very passionate about my work. I would like to collaborate with you and help you find the best solution to your problems. Given a chance, I would deliver the best results and achieve my goals within the given span of time.
